Repurpose of Elba Rectory - Continuing the Year of Mercy Within Our Community

This weekend marks the end of Ordinary Time within the Church Calendar contained within the Year of Mercy. Yet the Church reminds us that the mercy of The Church never ends. The Church suggests, beginning on Monday, that the days before Thanksgiving; "be set aside for deeds of charity, penance, and prayers for economic justice." It is time for a positive response as a community, not necessarily as Church, as much as neighbor, to utilize our resource of the Elba rectory for the common good to the service of all. Would you consider as a ministry of charity joining together to investigate the repurpose of the rectory space at Elba?

You've read about activities to find a new purpose for the former rectory at Elba in past minutes & bulletins. The Parish Council has requested that these basic ideas be investigated by a team of individuals using pre-defined specific criteria.

Please lend your talents and time to this effort. If you are interested or have more questions, please contact Deacon Paul who is the organizer of our energies. More information to come once a team of interested individuals is assembled.

Together we can make a difference
