Hurricane Relief Fund Donations

Bishop Malone asks us to support a Hurricane Relief and Mexico Earthquake Fund. We will have a second collection this weekend September 30-October 1 and donations will be sent from Buffalo Diocese to other diocese to meet the needs of those affected recently. Checks may be made payable to St Padre Pio Parish as usual.

October is the Month of the Rosary!

So why pray the rosary?

One reason the Blessed Mother asked us to pray the rosary might be because it can benefit anyone at any stage of the spiritual life from beginners to advanced. The "Catechism of the Catholic Church" teaches about various types of prayer including vocal prayer, meditation and contemplation. The rosary is all three of these types of prayer! The goal is a greater love for God and union with God. (catholic.org)

Rite of Christian Initiation

Our parish will be offering RCIA beginning in September for those who are interested in joining the Catholic Church and our community of St. Padre Pio. Classes will be on Thursdays at 7:00pm to prepare for an Easter Confirmation. This time is an opportunity for anyone interested in learning more about the Catholic faith.

*If you are interested,
please contact the office.*

TIPS TO PRAY THE ROSARY EVERY DAY

- Fall asleep praying the Rosary. It is better than counting sheep.
- Say it in moments of sadness or spiritual drought.
- If you can't pray a whole Rosary at once, break it into parts.
- Carry a Rosary in your pocket.
- Use each mystery to ask for a particular intention.
- Say it while you wait (for example, at the bus stop).
- Pray while you walk and think of the people in your life.
- Recite the Rosary while doing chores or while you work out.
- Use images and music. The Rosary is a contemplative prayer.
- If you're upset, pray for the situation that worries you.

Oktoberfest Thank You

St Padre Pio Parish was truly blessed with wonderful volunteers for our 10th Anniversary Oktoberfest. Faith Formation children and their parents were instrumental in the success of this event. You are our future and the parish appreciates your service.

To all the parishioners who helped with the Oktoberfest celebration and fundraiser--thank you! Despite the heat everyone had a wonderful time and the event was a huge success.

Many thanks to all who donated money, donated items, shopped for the basket raffle, assembled the baskets, set up, shredded cabbage and pork, arrived at 5 am to cook the pig, baked wonderful desserts, worked the event, coordinated all of us for success, cleaned, carried equipment to and from, and especially to all who continue to sell tickets, buy tickets, rolled the raffle drum, and supported the event for the last ten years.

Special thanks for several cash raffle winners who donated back to the church their winnings totaling \$1050.

Once the final numbers are established and report to committee, the results will be shared in the bulletin. We prayed, we hoped and tried not to worry--thank you—St. Padre Pio!!

God Bless, Father Ted

will take place on **Wednesday, October 4th**
before **7:00pm mass** in Oakfield parking lot

ACCIDENT/INCIDENT REPORT

When an accident occurs and an injury results, or when an incident involving discipline or behavior occurs, the incident needs to be accurately investigated and documented. In the event of an accident/incident, a report is sent to the Department of Insurance Services. Please, if there is an accident on Church grounds, even if you feel it is minor, contact the office and file a report.

Roberts Wesleyan College and Northeastern Seminary welcomes the Director of the Vatican Observatory, Brother Guy Consolmagno, S.J, to talk about his experiences as the Pope's Astronomer, and to address the topic, "Does Science Need God?" at the Barnes Science and Faith Symposium.

Does Christian faith preclude science or vice versa? How does having, or not having, faith affect our view of the world around us? Brother Guy will address how our religious assumptions inform the way we do science, from the nature of the questions we ask to the kinds of answers that satisfy our questions. Registration requested.

Some voices in modern society see Christianity and science as diametrically opposed. Do they have it right? Does Christian faith preclude science or vice versa? How does having, or not having, faith affect our view of the world around us?

On the occasion of the 500th anniversary of the reformation, join us as Brother Guy Consolmagno, S.J addresses how our religious assumptions inform the way we do science, from the nature of the questions we ask to the kinds of answers that satisfy our questions.

Call to Vocations

One of the first things to realize when it comes to vocations is that we are part of something that is much greater than ourselves. We make a fatal error when we try to put ourselves at the center of things. Let us then make every effort to reach beyond our selfishness and hence hear the voice of God more clearly. **If God is calling you to a Church vocation, call Fr. Andrew Lauricella at 716-847-5535. You can also check out the "Priest of the Month" stories on our website <https://www.buffalodiocese.org/>**
