With your family, you can observe All Souls Day with one of these ideas.....

Visit the graves of your own deceased family members. It would be a good time to tell the younger members of your family stories about their great-grandparents, grandparents, uncles and aunts - how they have influenced your life and that of your family's.

Take out the old family albums, go through them and revive some old and happy memories of the family members who are not amongst you anymore and share them with your children.

Remember to pray for your deceased relatives in your regular bed- time prayers.

All Souls Remembrance Mass
Friday, November 2nd at 7pm, Oakfield site

All are invited to come to the All Souls Mass when candles will be lit for those who have passed this year. Candles will burn in their memory at the weekend Masses during the month of November until Thanksgiving.

GLIMMER OF LOVE

We will again be selling lights for the annual Glimmer of Love in memory or in honor of someone. Lights will be sold beginning the weekend of November 3rd through December 2nd at \$ 5.00 per light. Names will be read at the 4:30 mass on **Saturday, December 8th** with a pizza /dessert reception to follow. Please include all names on **ONE** list, with monies, and put in an envelope labeled "**Glimmer of Love**" which will be available in the pews or vestibule at each worship site beginning November 3rd. These may be put in the collection basket during mass. More information will be included in an upcoming flyer.

FAMILY CORNER:

About the Gospel:

The blind Bartimaeus had to make up his mind about Jesus without the benefit of seeing him. He asked Jesus for the gift of sight. His faith was rewarded with vision.

Family Prayer:

As a family, pray at least one decade of the Rosary together. Ask the Blessed Mother to take away any family "blindness" and give you all the vision of those who follow Jesus.

Question of the Week:

If we try to see people and all creation through God's eyes, what difference will that make in how we treat others and the earth?
